First Federal Community Rewards

First Federal customer and Friends of the McMinnville Public Library volunteer Bob Dodge

About First Federal Community Rewards

First Federal Community Rewards is a community-based program that is designed to help our customers earn funds for the nonprofit organizations where they give their time. The program is simple: for every hour a First Federal customer volunteers at a Yamhill County nonprofit, we'll contribute \$2 to that organization. The more time they volunteer...the more funds you can earn!

Participating nonprofit organizations are eligible to earn up to \$1,000 during First Federal's October-to-September fiscal year. First Federal has committed \$10,000 to this program for the 2008 fiscal year.

How to participate...

- 1 Complete the attached First Federal Community Rewards Registration Form and drop it in the mail.
- 2 Collect First Federal Community Rewards time cards from your First Federal volunteers and submit them to First Federal by the first of each month beginning June 1, 2008.

As a First Federal Community Rewards Participant, your organization is responsible for submitting volunteer time cards. Donations will be made in the order that time cards are received by First Federal's Community Relations Coordinator. Contributions will be made based only on the hours volunteered in the previous month and disbursed monthly while funds for the program are still available. Time cards can be mailed or hand-delivered to any First Federal branch or the Home Office.

Nonprofit Registration

Please complete the following form and mail it to:
First Federal
ATTN: Community Relations Coordinator
PO Box 239
McMinnville, OR 97128
