

# It pays to volunteer!

## First Federal Community Rewards

First Federal customer Bob Dodge has been volunteering for the Friends of the McMinnville Public Library for more than 11 years.

## About First Federal Community Rewards

**First Federal Community Rewards** is simple: for every hour a First Federal customer volunteers with a nonprofit organization operating in Yamhill County, First Federal will contribute \$2 to the organization. Contributions are disbursed monthly while funds for the program are available, based on First Federal's October-to-September fiscal year. First Federal has committed \$10,000 to the program for the 2008 fiscal year, with participating organizations eligible to earn up to \$1,000 during this fiscal year.

Donations are made in the order that time cards are received. Time cards must be submitted *to the registered nonprofit organization where you volunteer*, and are due from that organization by the 1st of each month, starting with hours worked after April 30, 2008. Contributions will be made based only on the hours volunteered in the previous month.

### How to participate...

- 1 You must be a First Federal customer. If you're not a customer, we'll help you make the switch...it's easy!
- 2 Complete the attached registration form and drop it in the mail – or download the form from **www.firstfedweb.com**.
- 3 Track your volunteer time on the enclosed Community Rewards time card. Please use one time card for each organization.
- 4 Submit your completed time card **before the 1st of the month to your registered nonprofit organization(s)**, starting with hours worked after April 30, 2008.
- 5 Visit [www.firstfedweb.com](http://www.firstfedweb.com) to see how much money your favorite nonprofit organization has earned.

## Customer Registration

Please complete the following form and mail it to:

First Federal  
ATTN: Community Relations Coordinator  
PO Box 239  
McMinnville, OR 97128
